## SPECIALIZATION

Our unique focus is on the care of patients with mobility impairments who have simple to complex medical needs.

- Spinal Cord injury (including ventilators)
- Traumatic brain injury
- Multiple Sclerosis
- Stroke and other Neurological Disorders
- Orthopedic Injuries
- Burns and wound management

The medical industry is complicated. We employ an experienced staff, trained within our speciality who enjoy practicing their skills.

## SERVICES PROVIDED

### SKILLED NURSING CARE

Our skilled assessment care includes numerous services, which provides our clients the support they need to maintain their health. These services include:

- Comprehensive Care Plan
- Medication Administration
- Supervisory Visits
- Ventilator Care
- Bladder and Bowel Management
- Accompanying Clients to Physician Appointments

### ASSISTANCE IN DAILY ACTIVITIES

Our clients with mobility impairment have specialized needs and our nurses offer more than just nursing care. In this one-on-one care environment, our nurses may assist with personal care, light housekeeping chores, drive a client for an errand, or prepare meals.

### MEDICAL OBSERVATION

Our staff provides skilled assessment and intervention for clients being discharged from acute care or those with high tech needs. We can often identify medical problems early and assure quick intervention and treatment.

### POST HOSPITALIZATION CARE

Our nurses and attendants provide care and close supervision to lessen the anxiety of making the transition from a rehabilitation facility to home and community. We are there to assist with their continued recovery and to maximize their independence.

### WOUND MANAGEMENT

With our expertise in catastrophic injury and illness, we often eliminate or minimize the common problems associated with immobility that can lead to costly hospitalization.

### 24 HOUR COVERAGE

With our 24 hour on call policy (no answering service, you will talk to a staff member) our clients are assured of an immediate response to urgent nursing questions.

### INTERPRETATION SERVICES

We can provide bilingual interpretation services for any setting from a doctors office visit or therapy session, to 24 hour care in the home.

## THERE'S NO PLACE LIKE HOME .....

Accord Services is proud to provide highly skilled, professional care in the home setting. We provide resources and support to case managers to meet the unique needs of neurologically disabled people. Our goal is to foster community living and independence for each individual client and family member. Due to the nature of the injury or illness, the needs are different for every individual. Clients temperament, family members, and household environment are often affected. It is our understanding of these specialized needs and our ability to build a solid relationship that sets us apart.

## STAFFING SUPPORT

Key to an agency's success is competent office staff. It is essential to employ seasoned professionals, the best in the marketplace, who understand recruitment, staffing and relationship building. We provide an excellent workplace environment committed to matching the individual needs of our clients with the appropriate Nurse or CNA staff member.
